HW 3

Homework 3

1. App Title-Assistant Coach
2. App Subtitle-Data Management for Baseball/Softball Coaches
3. Have you ever wanted to find an easier way to make practice and workouts more individualized for your athletes? Assistant Coach is the answer! This app can store all the important team data, recognize trends, and offer practice suggestions targeted to your player's areas for growth. In a few simple steps, practice can be completely streamlined.
4. See Balsamiq frames
